

To whom it may concern,

Jenna Liston was a student at Tulsa Technology Center attending the 2008-2009 school year. She attended our Website Design Program located on the Broken Arrow campus. While attending, she was an exceptional student with outstanding ability and creativity and enjoyed learning.

Jenna has many strengths. She is team player always giving 120% to any given situation, she is a good communicator both written and verbal, she has a professional and positive attitude towards her education and work, and she has the ability to bring out the best in all situations by relying on her enthusiasm, talents and positive approach.

While at Tulsa Tech, Jenna maintained her full-time position as a Marketing Coordinator. She was actively involved in various extracurricular projects such as creating logos, websites, and marketing materials for external customers. She coordinated business meetings with customer while on-campus and provided her leadership and professionalism to each project.

Jenna serves as an outstanding spokesperson for adults who have made the choice to enhance their professional and employment opportunities through Tulsa Technology Center. She is a true leader and excellent student and was a pleasure to have in our programs.
