CASE NO: A-22-852111-W  
Department 15

Petitioner,  
v.

Civil Action No.

U.S. DEPARTMENT OF JUSTICE/FBI,  
950 Pennsylvania Avenue, N.W.  
Washington, D.C. 20530, USA

Respondent,

**EXHIBITS FOR PETITION TO UNSEAL RECORDS  
FOR FOIA FBI FILE REQUEST NUMBER 1334338-000**

**Exhibit 1:** First offender act discharge letter and envelope dated January 22, 2009 for first offender act case number 89cr2414 left by taking Adjudicated Without Guilt. It took 20 years before I can get this letter exonerating me and acknowledging that I should have had the first offender act for that whole 20 years. Officials deprived me of that right to claim my first offender act by illegally modifying my criminal background record and switching my first offender act to conviction without notice of hearing or provocation.

**Exhibit 2:** Conditions of Probation dated August 1992 confirms that Georgia probation office was well aware that I was no longer to be under their supervision was accepted by Michigan and had no right to submit a request for warrant for absconding.

**Exhibit 3:** A page from the court transcript from the first offender act which confirms that Lovelace flew to Georgia from Michigan to turn herself in on June 27th. Upon surrender the

sheriff's office in Decatur, instead of entering a surrender they opted to add two new charges.

The charges were dismissed but the arrest stayed on my record for misleading purposes. The two additional charges made a combined total of five arrest entries for one incident and a single agency case number 13647.

**Exhibit 4:** A copy of an online Internet search for criminal history on March 8, 2014, for Tiwanda Lovelace revealed her name listed with an African American man's face with Petitioner Lovelace data mixed with incorrect charges. This is a sample of the information that is provided as criminal background history for employment and for housing.

**Exhibit 5:** A copy of employment offers and positions that were taken away due to their criminal background history entries and those misleading transmittals.

**Exhibit 6:** Internet State case report confirming petitioner was reporting as directed.

**Exhibit 7:** A copy of warrant dated May 18, 1993, from the DeKalb county alleging petitioner had absconded and refused to report and pay court ordered monies as instructed. Although petitioner was reporting as directed, they took it upon themselves to go in and issue a warrant for petitioner arrest. Per conditions of probation and interstate case reporting paperwork, they were aware and still got that warrant they then took the warrant and used it to take housing see exhibit. Just prior to them getting that warrant petitioner was living in Georgia at the time and they could have executed that warrant at any time, but they chose to wait until she had housing in Nevada.

**Exhibit 8:** A copy of a letter from department of housing and Urban development which says that the police and DeKalb County contacted housing to let them know that there was a warrant, and that they allege were unable to extradite. officers then proceeded to take her Section 8 housing, leaving petitioner and her children, homeless. Petitioner unable to secure and maintain employment due to their illegal background modification, entries, and misleading transmittals.

**Exhibit 9:** Recent email from Dept of Civil rights against the FBI; yet they referred me back to the FBI.

**Exhibit 10:** List (2) two examples of employment loss specifically due to deliberate maintenance of inaccurate and misleading entries.

**Exhibit 11:** A copy of contracts that were filed during the time frame covered under the FBI file and the time frame when petitioner alleged major copyright infringements. All the petitioner possessed a major co-publishing contract and copyrights of her own for her works and the list of songs on the radio on the top of the charts she was unable to locate and obtain and secure a lawyer for representation for over a decade.

**Exhibit 12:** Petitioner then filed lawsuits regarding her musical works and was met with blatant judicial misconduct we're in her complaints were referred to by the judge as a product of her female surgery. The courts in Michigan completely ignored copyrights actual violence that were happening to partitioner and her family. This was definitely a time frame when the FBI file was covered.

**Exhibit 13:** Unable to find Justice through the courts petitioner decided to get into online publishing to share her experiences through books and other products. Petitioner was told she would never make a dime for exposing what happened to her and due to the unfair practices,' petitioner has attached several documents from her online business which clearly shows some questionable actions that could clearly be condemned as intimidation unfair competition and unfair practices.

**Exhibit 14:** There was a flood of sellers on the first page of the exhibit even after opting out of third-party Sellers and over 2 years they reported no sales but were actually selling her products as used and new.

**Exhibit 15:** This exhibit shows one seller that was her competition was selling petitioner's own autobiography for \$33,418.88 while some sellers had it for \$0.78. This was during the time frame that the FBI file and that petitioner was seeking assistance from other governmental agencies to uphold her rights as a business owner, entrepreneur and a US citizen.

**Exhibit 16:** Exhibit: a copy of a contacts and attempted contacts of people in positions of power that refused to even acknowledge these blatant atrocities and examples of abuse of power.

**Exhibit 17:** The next exhibit shows mail delivery errors when reaching for assistance in attempting to contact those in positions to assist a copy of mail tampering a letter from three different mail carriers that Express unexplained delays when attempting to seek Justice. Lovelace was forced to go to different cities to seek assistance and would sometimes become stranded in

those cities and subjected to more atrocities Force into homelessness due to her inability to maintain employment due to the background and housing.

**Exhibit 18:** Letter from DHL dated May 14, 1996 a letter from USPS tracking complaints of judicial misconduct delayed every agency contacted refuse to acknowledge blatant proof

**Exhibit 19:** While trying to establish her publishing business I have a copy of instances where Petitioner was triple charged unnecessarily to cause the rest and from that same company the online provider, I received a delivery or receipt confirmation as if someone had placed an order on my eBook website for my products but the actual items: a sledgehammer and a wire cutter were listed as a bookstore purchase, while I was receiving threats and bullying that was meant to stop my attempts to seek assistance.

**Exhibit 20:** During this copyright infringements Lovelace was working with her co-publishing company and they sent her a letter addressing her allegations of copyright infringements with the mail stamped or postmarked with the words, “comics” on a serious matter involving millions of dollars in music royalties on a top can recording. If I'm not mistaken the post office is under Federal jurisdiction, they were there at that time per the FBI file that I have so whoever was on this case was very well aware of what I was going through, and I never got no direct communication at any point while suffering from these violations.

**Exhibit 21:** Exhibit one a response letter from the department of Justice with the wrong ZIP code supposedly mailed from DC to Nevada stating that we have your materials, and we are not

going to investigate my allegations initialed by AM. I questioned the validity of that letter because of the ZIP code however it still came from the DOJ who I reached out to and it reference that I reached out to them but still no word. By editing my transmissions and blocking my business ventures, I've been corralled into homelessness while my Representatives and Officials will not offer the protection of the Constitution and uphold my rights in any legal matter which ultimately makes me a 'slave or the pet' that I've been referenced to ask for the last 30 plus years.

**Exhibit 22:** List copies of the letters the letters sent to the DOJ, Representatives and governmental agencies... throughout the years.

**Exhibit 23:** Multiple Newspaper clippings to confirm father convicted of killing a police officer.

DATED this 4th day of May, 2022.

Per NRS 53.045, I declare under penalty of perjury that the foregoing is true and correct.

Case: 89CR2414  
Offense(s): Theft By Taking

Dear Ms. Lovelace,

We are happy to inform you that your case has been closed here in this office without adjudication of guilt due to you having completed the terms of probation as imposed under the First Offender Act.

You are therefore discharged under the provisions of said act (O.C.G.A. A42-8-60, et. seq.):

- A. The defendant be charged without court adjudication of guilt.
- B. That this discharge shall completely exonerate the defendant of any criminal purpose.
- C. That this discharge shall not affect any of said defendants civil rights or liberties; and
- D. The defendant shall not be considered to have a criminal conviction.
- E. This discharge may not be used to disqualify a person in any application for employment or appointment to office in either the public or private sector.

Please be advised, however; that if you were convicted of a new offense during your period of probation your Georgia Crime Information Center (GCIC) record will conflict with your Local First Offender Act Status in the GCIC record upon a conviction of a new offense during the period of probation.

Good luck to you in the future.

Sincerely,

Probation Officer  
Central Dekalb Probation

It took (12) twelve years, just to get the case closed and letter of 'Adjudication without Guilt' under First Offender Act from Dekalb Probation. This was the only criminal case that I ever had; however, officers modified background on whims and under color of law!

Such records include, but are not limited to, records of background checks of Mr. Cass Czerwinski, records of communications, contacts, or correspondence between Mr. Cass Czerwinski and employees, officials, or agents of the Federal Bureau of Investigation, and records of investigations concerning or regarding Mr. Cass Czerwinski as a victim or any kind of alleged perpetrator;

2. In person on March 05, 2015, the FBI refused to acknowledge receipt of Plaintiffs' request and did not accept any of Lovelace's supporting documentation relating to judicial and official misconduct, mail tampering, intimidation or murder and accusations of civil rights violations. The FBI also informed Plaintiffs that it may or may not investigate the judicial and official misconduct, mail tampering, intimidation or murder and accusations of civil rights violations so please provide a copy of the written determination of any decision made.

3. On May 18, 2015, Plaintiffs' submitted a signed, fully executed Certification of Identity form from Plaintiff Lovelace.

This request is both; for investigative research purposes and of a personal nature to confirm unwarranted violation of privacy, unprovoked investigations, or any reason why I would be experiencing unexplained mail tampering, delays in telephone connections, electronic and computer disturbances. I am also trying to find out why the laws are never upheld when crimes are committed against me or why my complaints or allegations combined with supporting legal documentations are ignored because I have not killed anyone. I am drug free, law-abiding citizen.

I am also requesting this information to investigate what happened in 1969 during the criminal trial against my father, Robert Heard for allegedly killing a police and whether this initiated some kind of surveillance involving myself or family.

For question regarding my request under the FOIA, please contact me at:

Good afternoon Ms. Lovelace,

As you are aware, the Department of Employment, Training and Rehabilitation requires a background investigation to be conducted on employees at time of hire. Your fingerprint check came back with information that is not consistent with your application.

Here is a link to the FBI's website, which provides instructions on how to obtain a copy of your FBI criminal history record: [http://www.fbi.gov/about-us/cjis/background-checks/background\\_checks](http://www.fbi.gov/about-us/cjis/background-checks/background_checks)

To challenge the record, you need to contact the agency that reported the information to the FBI. ("All data is obtained from fingerprint submissions or related identification forms submitted to the FBI by local, state, and federal agencies. As a result, the responsibility for authentication and correction of such data rests upon the contributing agency (i.e., police department, county court, etc.). Please contact this agency or the central repository in the state where the arrest occurred to request a change, correction, or update. The FBI is not authorized to modify the record without written notification from the appropriate criminal justice agency.")

After you receive the information you must take necessary steps to:

- Contact the arresting agency.
- Have the disposition added to the file.

You may contact the Criminal History Repository for the State of Nevada and get a copy of your Criminal History Record. I have attached the form you will need for this process. Please complete the attached form and mail or fax back to them. If you need to contact the Repository, the phone number is (775) 684-6262. Although Lovelace was reporting to Michigan Probation, no efforts were made to contact and/or provide notice. I was still reporting (3) three months, unaware that the warrant was issued on May 19, 1993. I was just told that I no longer was to report to Michigan Probation office. I obtained this letter well after.

**Interstate report shows reporting as directed when officials declared unlawfully to have no knowledge of my whereabouts and swore that I had absconded.**

Clearly, the Warrant has an expiration date of July 31, 1997 but this was used to take multiple jobs and even housing for almost (2) two decades. Although Lovelace was reporting to Michigan Probation, no efforts were made to contact and/or provide notice. That warrant says that 'thorough, diligent search was made to find probationer and whereabouts unknown' but this is a complete farce.

**NON EST INVENTUS**

The undersigned officer hereby certifies that a thorough and diligent search for the probationer listed in this warrant and affidavit has been made at but not limited to places of abode, known places of frequencies, and others and that His/Her whereabouts are unknown and cannot be located.

I believe the warrant was serving its purpose, to inflict damage, hinder and harm. I am sure that the fact that my father was convicted of murdering a police officer in 1969 and is serving a life sentence is not a coincidence.

This "violence" is mentioned repeatedly and its product appears to be Plaintiff's ovarian cystectomy which, Plaintiff asserts, is due to stress and also the fault of Defendant BMI. Amended Complaint, ¶ 10. When considered alongside her "Retaliation Report," one can not help but conclude that the complaint is fanciful and delusional.

For the reasons stated above, the court concludes that Plaintiff's complaint fails to comply with the pleading requirements of the Federal Rules of Civil Procedure. Additionally, Plaintiff's complaint is frivolous within the meaning of 28 U.S.C. § 1915(d). Accordingly,

IT IS ORDERED that Plaintiff's complaint is dismissed.

SEARCH WARRANT AND AFFIDAVIT

TO THE SHERIFF OR ANY PEACE OFFICER OF SAID COUNTY:

Affiant, having subscribed and sworn to an affidavit for Search Warrant, and I having under oath examined affiant, am satisfied that probable cause exists:

THEREFORE, IN THE NAME OF THE PEOPLE OF THE STATE OF MICHIGAN, I command that you search the following described place:  
9080 Burt Rd, Detroit Michigan a single family dwelling located on the east side of Burt Rd. between Dover and Cathedral. Described as a 1 1/2 story white bungalow with a covered front porch and a detached garage located to the rear of the location. The number 9080 are affixed near the front door.

and to seize, secure, tabulate and make return according to law the following property and things:  
Any and all evidence related to the homicides which occurred on 1-21-95 at 15721 Telegraph including a 9mm Semi Auto pistol. Papers establishing occupancy, ownership, or control of the premises 9080 Burt Rd. *Black Female, T. Lovelace, DPP*

The following facts are sworn to by the affiant in support of the issuance of this Warrant: 1: Affiant is a Lieutenant with the Redford Police Department and has been employed there for 20 years. Affiant is currently assigned to the Criminal Investigations Bureau and involved in the investigation of a double homicide shooting.  
2: Affiant responded to a scene of a double homicide at 15721 Telegraph on 1/21/95. Left at the scene was a white canvas bag containing one full metal jacketed 9mm round. This round matched 4 shell casings found by the bodies of the deceased. Attached to the canvas bag was a TWA baggage tag for flight 355 Nov. 11, 1994, and a computer read out for passenger T. Lovelace. Affiant contacted Trans World Airlines and learned that a Tiwanda Lovelace and a Curtis Lovelace had departed Kennedy Airport in New York on flight 355 and arrived at Metro Airport, Detroit on 11/11/94. For the airlines there were no reports filed by passenger Tiwanda Lovelace that she had not received her canvas bag. The phone number provided to the airlines with the reservation was 313-4931576. Per Ameritech this number belongs to Pierre Lovelace 9080 Burt Rd, Detroit MI. Tiwanda Gail Lovelace has a Michigan Personal Identification Card with the address 9080 Burt Rd, Detroit MI.  
3: Surveillance of a female leaving the listed location found that Tiwanda Lovelace left the described location and was stopped by a uniformed police officer and gave the address of 9080 Burt Rd as her place of residence. This was on 1-31-95.  
4: Therefore Affiant has probable cause to believe the described items will be found at the above described location.

RE: Alleged Probation Violation -Tiwanda Lovelace

As set forth in Title 28, CFR, Section 16.34, I would like to challenge the accuracy and completeness of at least (4) four entries in reference to my CJIS background investigation.

I have been before a Judge involving criminal activity twice in my life. Once I was facing a charge of Simple battery (domestic), which was dismissed; the other, Theft by Taking (2 counts= 1 felony and 1 misdemeanor). I was given the First Offender Act, 5yrs Probation, 96 hrs. community service, and restitution.

I have enclosed a copy of the original disposition of the case and a certified copy of Transcript of proceeding, including sentencing; which states clearly the events and conditions of sentencing. Transcript states that non-payment alone would not constitute grounds for the issuance of a warrant, which, in turn would revoke probation and cause or allow the First Offender Act to be changed to conviction (*Refer to TRNSCRPT, pg. 13 line 24 – pg. 14 line 1-6 and lines 20-23*).

*The Court: "If Michigan sends back down a warrant saying you have not paid the restitution and that is the only thing, I would have you come back to Georgia and we would have a walk I hearing, if we could get you to come back on your own, I wouldn't have you arrested, I would find out whether or not you still have a job."  
"The important thing is for you to report, regardless. I absolutely never sign a warrant if the only thing it says is somebody hasn't paid the money."*

I have also enclosed a copy of original Conditions of Probation, signed on August 7, 1992 and a copy of an Inter- State Case Report from the Department of Corrections Probation Services dated August 2, 1993. This report advises that I was officially accepted for supervision on December 22, 1992 and states that I was reporting as directed. This report says that Michigan closed interest August 2, 1993 because (3

months prior) Georgia Authorities issued a warrant for non-payment of restitution on May 19, 1993. From the date case was accepted, my address was on file with Michigan but I was never notified of any scheduled hearing to discuss non-payment of restitution, (as stipulated above). (Refer to Inter-State Case Report). *dated 8/2/93*

*"Subject reported to this office 12/11/92, this case was accepted for supervision 12/22/92. Ms. Lovelace reported as directed to this office, she admitted to paying no fees to the county of Dekalb."*

*"There is currently a warrant for her arrest; that was issued by Georgia Authorities, therefore, we are closing interest in this case."*

In reference to CJIS, No. 3 and No. 4, the dates and charges are not accurate, both are in reference to same case. I was originally arrested on October 28, 1988 for Theft by Taking. I fled until June 27, 1992, (which was 4 years later) I turned myself in to Georgia Authorities. Both No. 3 and No. 4 combined shows 5 different charges and different dates that need to be updated and corrected. (Refer to TRSNCRPT, pg. 3 line 8-11)

*Attorney: "There was a warrant out for her and she took a plane and came on down here to take care of these matters. And she has been here since June 27<sup>th</sup>."*

In reference to CJIS, No. 5, the date listed here was when I turned myself in for the original and only case from October 28, 1988, (4 years prior). I was fingerprinted again and presented with new case. Assured of my innocence, I complied by submitting a handwriting analysis because I know I did not do it. There was also an issue regarding illegal photo line up used to initiate case. I was advised this was dropped. Transmittals suggest further and continued criminal activity by incorrectly entering information.

In my attempts to have this corrected, I have been forwarded back and forth by phone. I am unsure of whom I should contact, so I requesting corrections thru your offices. This is the first time that I have been given the opportunity to view this background investigation report. Over the last (9) nine years, I have been asked to resign from a decent paying job (which was enabling me to provide for my children. I have been denied the opportunity for a hearing and due process.

This background investigation does not reflect a person who has only been convicted once. Since 1992, I have not been involved with any criminal activity. Due to the compilations of charges, incorrect dates, implications of continued multiple offenses, and denial of due process, I have been condemned and force to suffer grievous loss of opportunities that should have rightfully been attained by myself. The lifestyle free from further criminal activity should have been rewarded with a chance to provide a decent life, instead, I was undercut and disgraced by incomplete and inaccurate information. The Legal documents provided, herein, should be used to assist with clearing these matters in question.

There was also an issue regarding illegal photo line up used to initiate case. I was advised this was dropped. Transmittals suggest further and continued criminal activity by incorrectly entering information.

In my attempts to have this corrected, I have been forwarded back and forth by phone. I am unsure of whom I should contact, so I requesting corrections thru your offices. This is the first time that I have been given the opportunity to view this background investigation report. Over the last (9) nine years, I have been asked to resign from a decent paying job (which was enabling me to provide for my children. I have been denied the opportunity for a hearing and due process.

This background investigation does not reflect a person who has only been convicted once. Since 1992, I have not been involved with any criminal activity. Due to the compilations of charges, incorrect dates, implications of continued multiple offenses, and denial of due process, I have been condemned and force to suffer grievous loss of opportunities that should have rightfully been attained by myself. The lifestyle free from further criminal activity should have been rewarded with a chance to provide a decent life, instead, I was undercut and disgraced by incomplete and inaccurate information. The Legal documents provided, herein, should be used to assist with clearing these matters in question.

Sincerely,

Tiwanda Lovelace

## Mail Tampering and Mail delays - Multiple Carriers

IN RE: [illegible]

 **UNITED STATES  
POSTAL SERVICE**  
May 13, 1996

Ms. Tiwanda Lovelace  
9080 Burt Rd  
Detroit, MI 48228

Dear Ms. Lovelace:

This letter is in response to your inquiry on certified mailing you sent to two (2) separate companies.

I regret you were unaware that addressees of certified mail have the option of appointing authorized agents to sign for their certified mail. The signatures appear to be similar but do not look identical or as the same person. *Why Lie for them? See Attachment 2.*

The reason for this policy is that many individuals receive large volumes of certified mail and they simply do not have the time to sign for every piece individually. For example, the President of the United States receives hundreds of pieces of accountable mail each day and he would have to spend hours signing receipts if we did not allow him to appoint agents.

Our records show, as indicated on the copies you sent this office, that the certified mail was delivered, signed for and dated at time of delivery.

I telephoned Zomba Company at (212) 620-8700 and spoke with an employee in the mailroom, in an attempt to find out the name of the person that signed for the mail in question. He assured me that he could not tell me who had signed for this particular mailpiece since the mail is delivered to the reception area and anyone available may sign for the company's mail.

I realize that this does not solve your immediate problem, however, there simply is no other action we can take to assist you.

If you have any further concerns please do not hesitate to contact me at the number listed below.

Sincerely,

*Barbara J. Yack*

Dear Mrs. Lovelace:

In response to your inquiry on the above referenced shipment DHL Worldwide Express has traced this package through our shipping cycle and the shipment was left at Dock #114 on May 2, 1996 at 1:23 p.m. We have exhausted all current resources to find the cause for delay and as of this date the reason is uncertain. Under the normal transit cycle, this piece should have been delivered on May 1, 1996.

We value our relationship with our customers and hope you will allow us to continue providing services to your company. DHL sincerely regrets any inconvenience this may have caused.

Dear Ms. Lovelace:

Your recent complaint to the Department of Justice (DOJ), Office of Inspector General (OIG) was referred to the Initial Processing Unit (IPU), Internal Investigations Section (IIS), Inspection Division (INSD), Federal Bureau of Investigation (FBI). The IIS/INSD is the FBI entity responsible for investigation allegations of misconduct or criminal activity on the part of FBI employees.

In your complaint, you reported that for years you have made attempts through e-mails, telephone calls, and letters to file a complaint with no cooperation through DOJ/FBI. You also claimed you walked into the Las Vegas Field Office to report major criminal activity, judicial misconduct and criminal acts to include rape and murder but the Las Vegas Field Office "shrugged it off".

The purpose of this letter is to advise you this matter does not warrant the opening of an administrative inquiry. IPU will take no further action in this matter

Sincerely,

Initial Processing Unit  
Inspection Division

**Note:** This is an example of the blatant disregard and questionable response (allegedly) from officials regarding atrocities... This is a copy of the recent response addressed from the Department of Justice in reference to Request for Assistance regarding allegations (which included supporting documentation) showing blatant disregard for civil and human rights.

# Cop-Killer Suspect Gives Up To Boyhood Friend, A Cop

**ROBERT HEARD JR.**  
... 'here I am, Dennis'

DETROIT (AP) — Promising there would be no shooting, Patrolman Dennis Clark talked a boyhood pal accused of slaying a policeman into surrendering Monday.

"Here I am, Dennis," said Robert Heard Jr., 23, Detroit, as he stepped out of the shadows of an apartment basement. Heard held his arms high in the air and limped slightly from a flesh wound in the leg, police said.

He was charged with first-degree murder.

Heard and Paul Kincannon, 22, Detroit, were the object of an intensive manhunt after the Friday morning holdup slaying of Patrolman Stanley Rapaski, 35, and bar owner Casimar A. Czarwinski, 47, both of Detroit. Rapaski was off duty at the time.

Kincannon died Sunday after apparently shooting himself in the chest when

police closed in, authorities said.

After learning that Heard was wanted in connection with the slayings, Clark spread word among old neighborhood friends that there would be no shooting if Heard surrendered, authorities said.

Heard called the patrolman shortly after midnight, saying he wanted to surrender.

"I know I can trust you," the young patrolman quoted Heard as saying.

Heard agreed to meet the patrolman in an apartment basement, where later Heard surrendered.

Clark, who has been on the force 18 months, said he had known Heard for 15 years. They grew up in the same Detroit neighborhood and worked together in a neighborhood boys club, Clark said.

"Then he went his way and I went mine," Clark added.

## Murderer Gets Solitary Confinement

DETROIT (AP) — A 27-year-old Detroit man was convicted Tuesday of first-degree murder in the 1969 slaying of a Detroit police officer during a bar hold-up.

Robert Heard Jr. was sentenced to a mandatory life term in prison and solitary confinement at hard labor for the death of Stanley Rapaski.

It was Heard's second trial and conviction. The Michigan Supreme Court ordered a new trial last year because of errors it said were made by Recorder's Court Judge Joseph A. Gillis.

Rapaski was killed along with bar owner Casimir A. Czerwinski. Heard was not charged with the second slaying. Another suspect shot himself to death, apparently by accident, when cornered by police a few days later.

John B. Naughton, Ford vice president for sales, did not rule out selective price increases on 1973 models as General Motors did last week. Instead, he said there would be no "general price increase."

Such action, Naughton said, was "consistent with the goals of the economic stabilization program and it is taken with the hope that our labor force and suppliers will exercise similar restraint."

Naughton's statement was a warning to the United Auto Workers that they, in their push for higher salaries in this year's auto negotiations, could be partially responsible if prices go up on 1974 models.

Ford's action could boost the chances for substantial price increases throughout the industry next fall as makers recoup costs—many of the federally-mandated—they are absorbing now or that will come with new models.

# Parolee Guilty Of Murdering Policeman

Robert Heard Jr., a 23-year-old burglar on parole, was convicted Thursday of the first-degree murder of a Detroit policeman during a bar holdup in January.

Heard waived a presentence probation report.

Recorders Court Judge Joseph A. Gillis immediately sentenced him to a mandatory term of life in prison in solitary confinement at hard labor.

Heard said he would appeal. The jury of 10 women and two men deliberated about an hour after a nine-day trial.

Heard was charged with shooting to death Patrolman Stanley Rapaski, 35, in the Cherry Hill Bar, 4820 E. Davison, Jan. 10.

Another suspect in the robbery-shooting, Paul Kincannon, 22, of 3761 Wager, shot himself to death, apparently by accident, when cornered by police in an alley a few days after the murder.

Heard, who last lived at 3347 Boston, surrendered to a boyhood friend, Patrolman Dennis Clark, shortly after Kincannon was killed.

The bar owner, Casimir A. Czerwinski, also was shot to death in the holdup. Heard was not charged with that slaying.

**THE SLAIN** patrolman's widow, Florence Rapaski, 34, who has five young children, testified that she and her husband were sitting in the nearly empty bar when two men walked in. The men sat down and ordered beer. Minutes later one of the men got up, brandished a gun and announced a holdup.

Mrs. Rapaski said her husband reached for his service revolver but she stood in front of him because she feared if he drew the weapon, he would be killed.

The gunman walked over, put his pistol to Rapaski's head and said: "Don't start anything." Then, Mrs. Rapaski said, he searched the policeman but apparently found only Rapaski's wallet.

Then the gunman told everyone in the bar to lie down, the widow said.

**THEN, MRS.** Rapaski testified:

"We were lying on the floor. He (the gunman) pressed the gun near my husband's head. He said: 'Where is all that money?' My husband gave him a check.

"He said: 'Where is the cash money?' My husband didn't reply. Then, seconds later, I heard a shot. I looked up.

"My husband was on his knees. The man was at my feet. I put my head back down.

**Robert Heard Jr.**

I heard three more shots. I heard running toward the rear of the store."

Mrs. Rapaski, who had identified Heard in a lineup as the gunman, also identified him in court.

## 2 Cubans Hijack Jet To Havana

**MIAMI**—(UP)—Two nervous Cubans—one of them eager to see his mother—hijacked a Northeast Airlines jet with 52 persons aboard Thursday and forced it to Havana.

The hijacking, 24th of the year, took place aboard a Boston-to-Miami flight, which returned safely to Miami after leaving the two in Havana.

**THE HIJACKERS**, one with a gun and the other with a knife, forced two stewardesses to let them into the pilot's cabin.

Stewardess Karen Acuff said the pistol-carrying hijacker, who was red-eyed and appeared to have been drinking, told her he was "very happy because he was going home to see his mother."

"He said he had been in the United States for six years," she said.

Passengers said the men appeared to have been brought to the Boston airport by two other men, who saw them off from the waiting room.

## Police Seek Cop Killer

DETROIT (AP)—More than a score of police officers pressed their search today for the slayers of a Detroit policeman and a bar owner.

Police said an anonymous tipster told them that the persons believed involved in the Friday hold-up and murder fled the scene in a white sedan with a black top.

Patrolman Stanley Rapaski, 35, the father of five children, and Casimir A. Czarwinski, 47, owner of the Cherry Hill Bar, were killed.

Rapaski's wife, Florence, 31, urged her husband not to reach for his personal sidearm when two men walked into the bar early Friday morning.

The woman stated that they were forced to lie on the floor and that she heard a shot and then a string of shots.

Thirty members of the department's holdup and homicide bureaus have been assigned to the case.

A requiem mass for Rapaski will be offered in St. Augustine Catholic Church on Monday.

## Policeman Slain In Bar Holdup

DETROIT (AP)—An off-duty Detroit policeman, who disregarded his wife's plea that he not reach for his service revolver to break up a bar holdup, was shot to death early today. The bar owner also was killed.

Patrolman Stanley Rapaski, 35, and the bar owner, Casimir A. Czarwinski, were struck by at least 11 bullets, police said. A bar customer, Frank Piotrowski was beaten about the head by the bandits and was hospitalized.

Homicide detectives said the patrolman's wife and mother of his five children was having a quiet drink with her husband when two bandits, who had posed as customers for a few minutes, drew out pistols and announced a holdup.

The policeman, who was seated at a table, made a move towards his revolver and one of the bandits saw him and asked what he was doing.
