Eat In or Carry-Out

To this day, Classics3 stands in Sabraton as a shrine to memorable times in Mountaineer history. The sandwiches coined by Mountaineers still remain on the menu, and the restaurant and bar are still run by Lou and family as one of the very few family owned establishments in the Morgantown area. Lou Jr. runs the bar now, fitting because it was Robbie Bennett, honorable mention tight end on the All-Century Mountaineer Football Team, who gave him his first taste of beer in the old days.
