

About Us

Historical Society

The Historical Society was founded in 1961 to preserve the history of the area and The Wizard of Oz.

Dorothy's House

Dorothy's House was built in 1907 and has been restored and furnished to replicate the house shown in the movie.

Land of Oz

The Land of Oz consists of 5,000 square feet of entertainment. The house used in the tornado scene is also seen.

Coronado Museum

The Coronado Museum was founded as an institution to store the rich history of Seward County.
