To Whom It May Concern,

I have known Ciprian Gherghescu in a variety of capacities for almost one year. He's assisting me with the duties of inventory supervision such as ordering food and kitchen supplies, checking orders received for quantity and quality of products, and cooking. He's also helping with employee supervision and maintaining a clean work environment.

In addition, he's leadership skill and knowledge in culinary arts as well as in food chemistry have helped increase our food productivity and quality.

Ciprian is organized, efficient, extremely competent, and has an excellent rapport with people of all ages. His communication skills, both written and verbal, are excellent.

In summary, I highly recommend Ciprian for any position in management that he may seek to pursue. He will be a valuable asset for any organization.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Chef Ever D. Argueta
