

MADISON GRACE CONSTRUCTION SERVICES, LLC

August 15, 2008

To Whom It May Concern:

My name is Michael Wilson. I have owned and/or been directly responsible for numerous construction companies for approximately 40 years. I hold a variety of licenses and have operated in a management and self perform capacity in Michigan, Nevada and Arizona. As a result of these experiences, I have interacted with numerous employees and business partners and have a diverse experience pool from which to form opinions.

I met Mrs. Dortch in 2002 and was immediately impressed with her professional demeanor. This first impression was enhanced with time as she performed above the normal expectations for her initial position. She quickly became an invaluable asset ó acclimating to the industry and applying her many transferable skills sets. Her administrative oversight resulted in measurable improvement of processes, protocols as well as bottom line numbers. Most importantly, she demonstrated integrity of such a magnitude that I extended to her an offer to become a partner in my Las Vegas, NV operation (Madison Grace Construction Services LLC).

While the company remains in-tact, the current economic climate has rendered it inactive. As such, Mrs. Dortch is re-entering the workforce. I am losing a reliable, conscientious and talented partner. My loss, however, will be a valuable gain for her next employer.

It is without hesitation that I recommend Mrs. Dortch for this position.

Should you have any questions, I may be reached at (702) 994 - 6692.

Sincerely,

Michael Wilson
